Emotional Object #018: EXCENTRIC 1.0

EXCENTRIC 1.0 collection is an office concept for different people. In addition to the normal functions of this kind of furniture, EXCENTRIC brings something else – exclusivity.

Structure and form do not match; they only intersect, provoking the senses and conventional observation.

In 2016, these pieces won an “Iron A’ Design Award” in the “Furniture, Decorative Items and Homeware Design” category.
