Emotional Object #009: LAZY DAY

There is nothing like a rainy day, curling on your favorite sofa, warm and cozy with your significant other, watching a movie, reading a book, surfing online.

LAZY DAY is the perfect companion for those beautiful days.
Enjoy it as we do!

Its most remarkable feature is the rounded wooden back, which is simple, but at the same time, very sophisticated.

There are two versions, the Classic and the Modern, with slight differences in their feet and finishes.

This collection includes an armchair and two and three-seat sofas.

In 2022, they all won a “Silver A’ Design Award” in the “Furniture, Decorative Items, and Homeware Design” category.
